May 5, 2020

Dear Sisters and Brothers,

Our *Wings of Friendship* may currently be grounded, but our work for the Order does not stop. This Grand Chapter year has not started in a manner that any of us could have imagined. As events unfold locally and nationally, Brother David and I will reschedule events. Many of the May events will be rescheduled. If this continues into June, some events may be held in July or August.

Our charity that we have chosen this year is Mission Aviation Fellowship (MAF). MAF is an international organization that flies humanitarian flights to areas devastated by disaster or have no other means of getting vital supplies. If you have ever wondered how doctors, medical supplies or other relief items get to remote areas, MAF may have flown them to the area. These services are provided by staff and volunteers. You can find more information on their website: www.maf.org.

We will continue to support KSDS as part of our Special Projects in their mission to provide service dogs for those who require special assistance in their lives. Many of us have heard talks from recipients and were moved by the stories of their experiences. Support of KSDS fulfills our General Grand Chapter Service Dogs charity participation. You can find more information on their website: www.ksds.org.

In addition to KSDS our Special Projects also support: ESTARL, OES Scholarships, Masonic Youth Organizations, Membership, Grand Chapter Session, Grand Chapter Website, KMH, Star Gazer, KS / NE Exchange, KS / OK Exchange and WGM / WGP Project of Choice. Our charity and Special Projects help change communities locally and worldwide.

SESSION PIN

WGM PIN

WGP PIN

All money raised by the sale of the key chains will be donated to KSDS.

“Eastern Star Shines Bright For Service Dogs”

We know that everyone is looking forward to receiving the new itineraries. We hope you will enjoy the enhancements that have been made. Because of current circumstances, we do not know when your District Aide will be able to visit your chapter. To show your support for Special Projects you can purchase pins, key chains and itineraries, and have them mailed to you. Please use the attached form.

We all have wings, because ***We are IN God’s Service***. So, soar high and live each day as if the only person you work for is God – because it is.
